

SPEEDWAY COMMISSION A.G.M. 2010 - S.R.A.C. REPORT

It has been my pleasure to chair the Safety and Regulations Committee for the past year. I would like to thank the Committee - Alan, Bain, Geoff Murphy, Fab Martinelli, Peter Cox, Sid Brodie, Mike Anderson, James Hislop, Mick Gardner, Ash Peczka, Stewards Rep Andrew Winsall, and Secretary Marlene Criddle – for their hard work this season.

After being neglected slightly, track grading is ongoing, and after being behind it is now catching up, as we are guided by The Department of Health and do our sign off in conjunction with them.

The Committee are still checking light readings at tracks to bring up the standard throughout W.A.

The Committee have a good working relationship with the Department of Health and our opinion is respected by that Department. If we are not comfortable with a track then any problems are rectified prior to the sign off.

Thank you to Peter Griffiths and Trevor Newman for conducting the Steward Accreditation courses. The Stewards panel is made up of Metro and Regional Stewards.

We have also conducted Scrutineering Courses and Head and Neck Support Courses all over W.A. and interstate in S.A. and soon in Tasmania.

Thanks to Marlene's work copying and updating the course notes, they have been accepted throughout Australia. The other States pay the Commission for the books and Certificates we provide for the courses.

Thank you to the members of the SDAC Committee and the Stewards Panel for their hard work during this past season.

Thank you also to the Commissioners for their support.

Des Alfirevich
Chairman
