EVENT PERMIT APPLICATION FORM 2009'10

An Event Permit is required to cover individual race meetings held throughout a club racing season or by a division wishing to use track facilities. This enables the WA Speedway Commission and the nominated Insurance Company to be aware of any changes or amendments made to track facilities for the period of a track license. It also aids in creating a racing calendar to avoid date clashes between nearby tracks.
 Track Inspection fees and Officials accreditation fees form part of Event permits

An Event Permit is \$88.00 inc GST and this form becomes a tax invoice once payment is made, effective as of the 1st July 2009
